C.J.C. Newsletter Term 2, Issue 3, 4th May 2018.

From Our School Leadership Team,

The best part of this job is working with our students. Over the past week I have had lunch with our School Captains and SRC Captains. Our captains are growing into their roles and are the key drivers in the continuous improvement of our school. We're working to continue building their skills as leaders and their feedback on how our school is progressing is critical. It was interesting to hear their perspective on classroom programs, how students interact in the yard and their ideas for the future of our school. I thank them for their work and look forward to continuing working closely with them over the rest of the year.

Students in Years 3 to 6 will have received information about some important upcoming events. Next week, students in Years 4 to 6 will participate in the DET's 'Student Attitudes to School Survey', a confidential online tool that provides schools with feedback from students about how they think their school is performing.

Students in Years 3 and 5 will have received information about the upcoming NAPLAN assessments. Please ensure you read this carefully; it may be worthwhile using some of the key points to begin some discussion with your child/ren about these assessments and how they are feeling. Teachers are working with their students consistently to ensure they understand the format of the assessments and the content they may encounter. Please contact your classroom teacher if you have any queries about either of these events.

Congratulations to our students who participated in our Cross-Country event on Wednesday. All students showed remarkable persistence and determination to complete the course. I enjoyed talking to students, parents and teachers at the event and was particularly impressed by how our students supported each other in performing to the best of their ability. Thanks to our Health and PE teacher Gemma Triscari for organising the event and good luck to the students who will participate in the upcoming district event.

We have some further upcoming events that I'm looking forward to, including:

- Local Kindergarten teachers visit on Tuesday 8th May.
- Berthe Mouchette Competition – Oral Assessment 9th May
- Mother's Day Breakfast and Stall on Friday 11th May.
- Visit from our French Inspector Claudie Ricci in the week beginning 14th May.
- Education Week beginning 21st May, including:
 - 2019 Prep Open Night at 7:00pm on Tuesday 22nd May.
 - Grandparents and Special Friends Day on Wednesday 23rd May

I look forward to seeing you at these events and thank you for your continued support.
Rohan.

Formation à Canberra

Anne-Cécile, Claire, Christelle, Tom et moi nous sommes rendus à Canberra cette semaine pour une formation spécifique aux binômes australiens intitulée « Renforcement de la compétence à enseigner les langues ». Les professeurs du binôme ont pu s'interroger sur leur pratique et échanger avec leurs collègues des autres écoles bilingues australiennes. Un grand bravo à Tom Lewis, seul anglophone de la formation, qui a participé à la formation en français.

Caulfield Junior College

School Council President

Bonjour,

The **French Elective Subcommittee** is an integral part of School Council and meets on the 4th Monday of every term. Newly created further to the integration of the French program, terms and references have been determined following DET guidelines in 2017.

Every year, parent volunteers help run School Council subcommittees and work on various projects. It is also the opportunity to have an input in shaping what the community would like to see implemented going forward, via recommendations to School Council.

Our last meeting was on 19 March, we spoke about how Claudie Ricci's (French inspector) recommendations have been implemented in classrooms since her visit in term 4 last year, but also about various projects such as increasing the French Elective visibility in the school and communication on CJC's website.

If you would like to get involved, please come to our next meeting on **Monday 7 May at 7pm** in the staff room at CJC.

From our Students

Dear Parents and Guardians,

This year 3/4B will have pen pals in Scotland.

3/4B will also be sending a soft-toy travel buddy, named Rebecca. We will also be receiving our own Scottish travel-buddy named Hamish. Shira Meltzer and

Kristin

Kotsovolos made a passport for Rebecca, and Mary-Anne's family sourced some clothes.

Rebecca was sent on Monday to the school in Scotland. The students over there will take turns in living with Rebecca. They will write what they did with Rebecca in her diary. In the mean time we will have Hamish, and host him with each family to have some Aussie adventures. We are also allowed to take Hamish on outings and trips.

Written by Logan Adams, Faith Green and Shira Meltzer. 3/4B

Travel buddies

The 3/4's inquiry project this term is "Places are Similar and Also Different". Leora Heitlinger's class

has taken this project to the next level by finding themselves Scottish pen-pals. Each week we will share some of our letters from Scotland and some of our Adventures with Hamish, our Travel Buddy. Being friends with a Scottish lad is pretty SPECIAL as my birth country is England.

Education Week

Hi, coming up this term, is Education Week, on the 20 to the 26 of May. On Thursday the 24 of May, the students of C.J.C. can dress up as what they want to be when they are older e.g. a doctor, astronaut, dancer etc. It will be a gold coin donation, and the money will go towards the State Schools' Relief Fund. The State Schools' Relief Fund is a government organisation, which collects donations for children going to state schools in Victoria. It is unique to Victoria, and Australia, as there is no such organisation anywhere else in the world. They give the donations to those in need, with a child that goes to school, who needs equipment for school. They give the donations in the form of school clothes, school shoes and food, so that children can continue with their education. To see more go to the State Schools' Relief fund at their website <https://www.ssr.net.au/>.

Regards, SRC team

Environmental tip

If your child has rice or noodles for lunch, ask them to bring the plastic container home. It can be washed and reused for snacks or small craft items such as beads.

You could also make small holes in the base of the container and plant some herbs – perfect for a kitchen window sill or small garden!

Remember: Plastics poison our planet, so if you must use plastic, reuse it as many times as possible before disposing of it in your household recycling.
