

CAULFIELD JUNIOR COLLEGE

'Internationally Accredited School'

Integrity, Responsibility, Respect, Harmony, Love of Learning

C.J.C. Newsletter Term 4, Issue 9, 8th December 2017

From Our School Leadership Team,

This week we celebrated the graduation class of 2017, who were formally presented with their certificates, at a ceremony held at Glen Eira College. Our students sang, danced and celebrated their way through an acknowledgement of the last seven years at our school.

The captains were highly entertaining as they recalled their memories of their first days, remembered milestone events and special teachers who have supported their individual journeys. Congratulations to our organisers who arranged such a fitting send off, to the students for their energy and contribution to our school and finally to the families who have been part of the special home-school partnership. Best wishes to all our graduates who leave us to join their secondary schools in the 2018 school year. Many families are leaving our school this year as their association with our college comes to a close. I would like to extend a very big thank you and wish them well as their children commence the next part of their learning journey

Our Prep transition program continues and this week we had some guest speakers who shared their experiences with the assembled parent group. This important program ensures our children commence school in a smooth and structured manner and this positive start to school will ensure our new preps can do their very best from their very first day.

Our current students will complete their final transition day next week and will meet their new teachers. Thanks to everyone involved in structuring this program and to the staff for their work and organisation.

On Friday we will visit Telopia School in Canberra to look at how they structure their programs, develop curriculum and integrate French culture and learning into their school. This visit is supported by the Department of Education, our school learning program and follows the recommendations made during the recent visit by Claudine Ricci, the French Inspector.

Earlier this week the Leadership teams of the school met to review the current school year and look at planning and opportunities for the coming year. This important meeting was challenging, fruitful and gave some clear direction for where we can focus our energies for the 2018 school year.

School uniforms can be purchased through PSW in North Road. If you are buying uniform items consider doing this before the back to school rush makes shopping an unpleasant experience.

On Friday December 15th we are holding a special event to celebrate the end of the year, it will be an evening of enjoyment with our community and we will learn a little about Hanukkah. Please find the important item in today's newsletter on how to purchase your tickets and help us with organisation and catering.

From our Students,

ResourceSmart School

Last week, some dedicated students met at lunch play time to share ideas about how we can be more sustainable and environmentally aware at CJC. Just a few of our ideas are:

Giving the chickens our food scraps (the things they can eat without getting sick)

Composting food scraps the chickens can't eat

Saving energy by turning off lights, heaters and air conditioners when we are not in the room, and using natural light when possible

Look after our plumbing – no sticks in taps, get repairs done quickly so water doesn't leak, use water responsibly (it's for drinking and washing, not playing)

Investigate installing solar panels

Some ideas can be implemented immediately and others require planning, but we are well on our way to making CJC a more environmentally friendly school!

3 / 4 Programming and Robotics

This week, the Year 3/4 students have had a wonderful time exploring programming and robotics by using Edison and the Edblocks app. We learnt how to program our robots using barcodes (just like product barcodes at the supermarket!) and we downloaded programs to explore many different ways of getting our robots to move. We LOVED every part of the incursion but our favourite part of all was the sumo wrestling activity.

END OF YEAR PARTY - NEXT FRIDAY 15th DECEMBER

We trust that most families will now be aware of the end of year party next Friday.

What you may not be aware of is the motivation and hard work happening behind the scenes.

We are hoping to use this event as a launching pad for bigger and better events next year. We need your support to make this happen. Come along and help out, hang out, help make it a success and let us know what you think we should do next year..

It's only by working together that we can achieve great things.

BOOK NOW ON QKR - BOOKINGS CLOSE WEDNESDAY 13th 12:00pm

PLEASE CONSIDER VOLUNTEERING FOR 30mins and share the fun. CONTACT YOUR CONVENOR or cjcparentscommittee@gmail.com
