C.J.C. Newsletter Term 2, Issue 4, 11th May 2018

From Our School Leadership Team,

Schools run best with an active parent community and we are fortunate at our school to have so many parents looking to contribute to both the education of their child/ren and to the broader school community. I'd like to highlight some of these outstanding contributions and encourage everyone to participate in our

upcoming events.

Today our Parent's Committee hosted a successful Mother's Day Breakfast and followed it with a Mother's Day Stall. It was a pleasure to see our students spending time at our school with their family and they were delighted to purchase gifts for their special family member. The organisation behind these events is significant and we thank Mathew Thompson, Bertrand Guillaumond and Rachel Halliwell and Valeria Green for leading the logistics behind these events.

Emilie Layral has led a group of parents organising a movie event at the Classic Cinema in Elsternwick, a private screening of the movie, 'Back to Burgundy'. Tickets include a glass of wine and nibbles and will be a great opportunity to socialise with families in our community. The event will be held on Sunday 20th May from 6:00pm and bookings must be made by this Sunday (13th May) via www.trybooking.com/VMJQ.

You may have seen some of our parents, led by Tegwan King, working on our gardens around the school. This has included a wonderful installation between the Year 1 and 2 Binome classrooms where we are growing different vegetables. This links to the current unit of inquiry on lifecycles that all students in Years Prep, 1 and 2 are learning about. As an extension of this, our PC are organising a Working Bee on Sunday 3rd June from 1:00pm until 4:00pm, with the purpose of continuing to improve the presentation of our school grounds.

Our parent volunteers on the committee for the Hebrew Immersion Program work with us on how to celebrate their significant cultural events throughout the year. Lara Lubitz has included some information in the newsletter today about the festival of Shavuot. We will help celebrate this with a 'Buddy Fruit Snack', with students invited to bring some extra fruit and a gold coin donation on Friday 18th May. All donations will be made to the 'C Care' organisation.

Other key upcoming events include our celebrations for Education Week:

- 2019 Prep Enrolment Night – Tuesday 22nd May @ 7:00pm
- Grandparents and Special Friends Day – Wednesday 23rd May @ 2:30pm
- SRC 'Casual Dress Day' (dress up as 'what I want to be when I grow up') – Thursday 24th May (gold coin donations to State Schools Relief).

Enjoy the week,
Rohan.

WEB Radio

Les voix de CJC sont diffusées à nouveau sur les ondes grâce à l'intervention de Leslie (assistante en

grande Section) assistée de Claire Skrabal. En effet, l'objectif premier de la Web Radio est de multiplier les ateliers oraux en français. Leslie, qui travaille comme assistante tous les matins en Grande Section, a débuté, depuis le 2^e trimestre, des activités l'après-midi : ateliers philo dans la bibliothèque, lecture thématique, ateliers Web Radio. Cette décision a été prise afin d'augmenter le temps d'exposition à la langue française de nos élèves. Un pas de plus en avant pour la pratique de l'oral !

Ciné-Club

En avant-première ! Le ciné-club en français de CJC a démarré cette semaine. Au programme, courts métrages de Michel Ocelot.

Ateliers philo

Vos enfants de Grande Section ont fait de la philosophie cette semaine ! Merci encore à Leslie d'avoir démarré cet atelier ! Rendez-vous tous les mercredis à la bibliothèque pour d'autres débats ardents.

Finale Berthe Mouchette

Encore bravo à tous les élèves qui ont participé aux oraux Berthe Mouchette et merci à Nathalie pour l'organisation de cet événement. Parents, vous serez très bientôt informés de la sélection de vos enfants en finale, prévue le 24 juin prochain.

Ne ratez pas l'occasion de voir un excellent film français, « Ce qui nous lie », de Cédric Klapisch. Rendez-vous le 20 mai à 18h00 au Classic Cinéma.

Caroline.

From the Hebrew Immersion Program The Hebrew program is excited to share the festival of Shavuot with CJC.

Shavuot is a fun festival which happens in spring in Israel. So it's a celebration of collecting the first fruits from the fields after a long winter. There is another part of Shavuot which is remembering Moses receiving the 10 commandments on Mount Sinai. Some people even stay up the whole night learning until the early morning! This is a time when we appreciate all the good that we have, and are grateful for having food, friends and family in our life. Some people eat lots of dairy on this holiday. This means that we can eat lots of ice-cream and also cheesecake! There is a cheesecake recipe below. It is delicious!!

At CJC we ask this Friday to:

1. Please bring a gold coin which we will donate to charity to buy food for people that don't have much

food. (C care)

2. Please bring an extra piece of fruit and you will meet up with your buddy at recess and share fruit together.

Thank you!

Cheesecake Recipe

125 g plain sweet biscuits (digestive are best) 50g (½ cup) ground almonds

70 g unsalted butter, melted

500g (2cups) cream cheese, softened

225g (1cup) castor sugar

4 eggs

1 yolk

Grated zest and juice of 1 large lemon

400g sour cream

1 tsp vanilla extract

To serve: icing sugar to dust

Preheat oven to 140 deg C and grease and line the base of a 24 cm cake tin. Mix the biscuits to crumbs in a food processor. Mix together the biscuit crumbs, almond and melted butter and press into the bottom of the tin. Put in the fridge while you make the topping.

Mix the cream cheese and sugar in a food processor until smooth. Add the eggs, egg yolk, lemon zest and juice and mix again. Add the sour cream and vanilla extract and mix again until completely smooth.

Pour the filling over the base and bake for 1 hour (the cheesecake will still have a definite wobble in the centre). Turn the oven off and leave the cheesecake to cool in the oven for 1 hour. Transfer to a wire rack to cool completely before covering and refrigerating over night. Run a knife around the inside edge of the tin to loosen the cheesecake, then lift off the side. Dust with icing sugar to serve.

Need To Know ! Same Day Student Absence Notifications

Dear Parents and Carers,

The Victorian Department of Education and Training has recently introduced legislation making it mandatory for all state Primary and High schools to have a

Same Day Student Absence Notification system in place by mid-July 2018. This legislation affects all state schools.

To ensure that Caulfield Junior College is fully compliant with the new regulation we are in the process of setting up **The Sentral Attendance Notification System**, which is compliant with the Department of Education and Training requirements. This will automate the process for the school, sending text messages on a daily basis to parents at a pre-determined time whenever a student has an 'unexplained absence'. Parents will be able to respond to any text messages received, these 'text' messages will be received at our end via our email system for the Admin Team to action/update the absence.

To ensure that we have all the correct Parent contact information for each of our students, next week we will be emailing the Student Enrolment Information Form for you to review:

- If the information is correct, please sign the form only and return it to the school.
- If there is any incorrect information, please print off the forms and edit prior to returning the forms to the school.

If you have any questions regarding this process, please do not hesitate to contact the office to discuss.

Regards,
Megan Barclay

Education Week

Hi, coming up this term, is Education Week, on the 20 to the 26 of May. On Thursday the 24 of May, the students of C.J.C. can dress up as what they want to be when they are older e.g. a doctor, astronaut, dancer etc. It will be a gold coin donation, and the money will go towards the State Schools' Relief Fund. The State Schools' Relief Fund is a government organisation, which collects donations for children going to state schools in Victoria. It is unique to Victoria, and Australia, as there is no such organisation anywhere else in the world. They give the donations to those in need, with a child that goes to school, who needs equipment for school. They give the donations in the form of school clothes, school shoes and food, so that children can continue with their education. To see more go to the State Schools' Relief fund at their website <https://www.ssr.net.au/>.

Regards, SRC team

Environmental tip

In the City of Glen Eira, approximately 300 tonnes of food goes to waste every week. That's far too much!

You can reduce food waste (and save money!) by planning meals, writing a shopping list to prevent unnecessary purchases, and eating or freezing leftovers.

If you do have food waste such as fruit and vegetable peels, egg shells and coffee grounds, you can

compost it at home. If you don't have a compost bin, you can now include food scraps in your green council bin!

All properties using council rubbish services in the City of Glen Eira are entitled to a green bin – free of charge! You can also pick up a food waste kitchen caddy (see photo) – also for free – from council offices.

For more information, visit www.gleneira.vic.gov.au/foodwaste or phone 9524 3333.

I have been in contact with Arthur Reed Photography. They are very apologetic about the delay in delivery of school photographs. The photographs are in their packing room getting ready to be shipped but they won't be here today.
