From Our School Leadership Team, Leadership Program

To support our Annual Implementation Plan, CJC is continuously building our leadership capacities.

This week, leadership is participating in a Conference organised by the Department to lead improvement in our school. Vic Zbar, one of the consultants, held workshops around a new guide: Driving school improvement. Our learning specialists, Don, Leora and Vincent have attended this Conference as well, with the intention of modelling those practices to the whole staff. Christelle, our Prep Team Leader is participating in professional learning run by the AEFÉ in Cambodia. Caroline attended the annual AEFÉ Principal's Conference last week in Singapore. Rohan was at Bastow Institute of Educational Leadership this week as well.

Next week will be a busy educational week at school as many events are taking place!

First Aid training for CJC students

Last Thursday, St John's Ambulance visited CJC to teach our students about the importance of first aid. Through an age-appropriate program, they provided the children with skills on what to do in the event of an emergency.

Some of our Prep A class children shared what they learned:

"When someone is going down on the floor, we talk to them and if they don't answer we need to press on their shoulders. If they don't reply again we should call 000" – *Raizel*

"We learned about dangers" – *Paravi*

"We learned about how to save people when they fall over and they don't reply when we squeeze their shoulders. We call 000 and they will come" – *Ness*

"We learned that the dangerous stuff should be put away in the kitchen so nobody gets hurt" – *Lielle*
