'Internationally Accredited School'

C.J.C. Newsletter Term 2, Issue 1, 20th April 2018

From Our School Leadership Team,

On behalf of Caulfield Junior College, I'd like to offer you all a warm welcome back from our holiday break. I've enjoyed seeing so many smiling faces in the playground and the classrooms. Our students have returned to school and shown their best qualities in everything they have done, just as we discussed at our assembly on Monday.

This week has been my first as Principal of our school. It is a wonderful opportunity and one that I am incredibly excited about. I have spent the week visiting our students in classrooms, talking with our parents before and after school in the yard and meeting with various members of our community, ensuring school improvement is always at the top of our agenda. Thank you to everyone who has made my first week in the role so enjoyable.

The role of Assistant Principal will be shared amongst some of our senior leaders in the school. Shauna Sanderson, our Student Wellbeing and Intervention Leader and Leora Heitlinger and Don Kirk, two of our Learning Specialists, will each spend one day per week in the role of Assistant Principal. This is a wonderful opportunity to build their capacity as leaders and I am confident that they will thrive in this role. This also gives us an opportunity to welcome back Danyelle Grayman to the school; Danyelle will work in Leora's class on a Thursday and Don's class on a Friday. Danyelle's familiarity with the school will ensure consistency and continuity of our classroom programs. Thank you to our French Director, Caroline Pommier, who will also be crucial in ensuring continuity in the operations of our school during this time.

Whilst our students were enjoying the holidays, our school remained busy. We had five interactive televisions installed, ensuring all of our working spaces have high-quality technology that enhances learning experiences for our students. We had a set of new photocopiers delivered across the school, ensuring our staff have the equipment that supports the highly professional work they do. Our maintenance manager Frank also spent time in the school ensuring our buildings and grounds remain well-kept and appropriate for our community.

I'm proud of how our school is celebrating ANZAC Day this year. Our school leaders are attending a commemoration ceremony at The Shrine of Remembrance today. On Tuesday, most of our school will walk to Caulfield Park to participate in a ceremony that we will lead and will involve our local Member of Parliament, Mr. David Southwick. We have also invited our local business and shop-keepers in the area to join us. We would like to invite our parent community along to the event as well:

ANZAC Day Commemoration

Date: Tuesday 24th April

Time: 2:30pm

Venue: Caulfield Park Cenotaph

Unfortunately some of our junior classes will not attend due to the swimming program. Please speak to your classroom teacher for further clarification. Please also remember that students are not required to attend school on ANZAC Day, Wednesday 25th April.

During Education Week, we will run an Information Night for prospective 2019 Prep families:

Date: Tuesday 22nd May

Time: 7:00pm – 8:00pm

Venue: BER Building, Caulfield Junior College

We look forward to the attendance of both, families who are currently in the school and have a child starting Prep next year, as well as new families to our school. We will communicate more on this event in weeks to come.

Thank you for a great week and enjoy the weekend,
Rohan.

Chickens

Thank you to all the families who contributed to the corn/chickpea drive for the chickens. We gathered a large number of tins that will see us through several weeks. Congratulations to Jasmine Auslender and Noah Muldoon who won the blankets in the raffle.

A big thank you also to those who cared for the chickens during the school holidays. They were well looked after and your assistance is greatly appreciated.

Environment News

This week has seen the beginning of some exciting plans to care for our school grounds and become more environmentally active. Each class is in the process of electing an environment representative; these students will be recognised in next week's newsletter.

TERM 2 EVENTS

Dear Soccer fans,

France is playing Australia as part of the 2018 Soccer World Cup in Russia on Saturday June the 16th @8PM.

It's a unique opportunity for CJC to celebrate!

The Parents Committee is planning to host a screening of the game at CJC.

To put on this event, we are actively seeking a coordinator. Most plans are already in place and the role will be supported by all PC members and resources.

Australian & French SOCCER DADS (or mums!), it's your chance to show us your skills and to share your passion of soccer with our community.

Don't be shy, drop us a line at cjcparentscommittee@gmail.com or contact your class convenor.

We won't be hosting this event if we don't find a coordinator by the end of the month. It would be a big disappointment. We count on you!

The Parents Committee Team.
