ROSSINI'S MASTERWORK
WILLIAM TELL

Rossini's masterwork *William Tell* will be presented by the Victorian Opera for the first time in Australia for 140 years.

Join us for a sneak-peek at the 1st Act in a general dress rehearsal, along with Champagne and macarons in the foyer of the newly renovated Palais Theatre, and a pre-performance talk by Conductor and Victorian Opera Artistic Director Richard Mills.

Sung in French, with renowned Canadian baritone Jean-François Lapointe in the leading role, this will be the largest production Victorian Opera has ever staged with the greatest international contingent, the biggest chorus and the most costumes created for a single production. It will be epic in all senses of the word.

\$30 (approx 1 hour performance)
